WE NEED YOUR HELP!!

South County Outreach (SCO), a South County Food Pantry and Outreach located in Lake Forest has Food Drives on the 3rd Saturday of each month. These Food Drives are the major monthly support needed to keep our pantry shelves full.

SCO partners with local grocery stores. Volunteers pass out food bags and most needed item lists to shoppers as they enter the grocery store and collect the full bags as the shoppers exit the store.

What could be easier for your group to fulfill volunteer hours, or community service hours!!

Together we can Fight Hunger!

Please contact SCO to set up a 3rd Saturday Food Drive for your group!
